

Why a Multi Trip Annual Plan is the Way to Go!

SAVINGS

It's more economical than multiple Single Trips! For the best coverage and savings, you can buy an Annual plan that covers the length of your shorter trips, and add extensions for longer ones.

CONVENIENCE

You can leave anytime and go anywhere, without the hassle of re-applying each time. And we make it easy to renew year after year!

FLEXIBILITY

With a family plan, you and your family members can travel together or separately, and always be covered.
